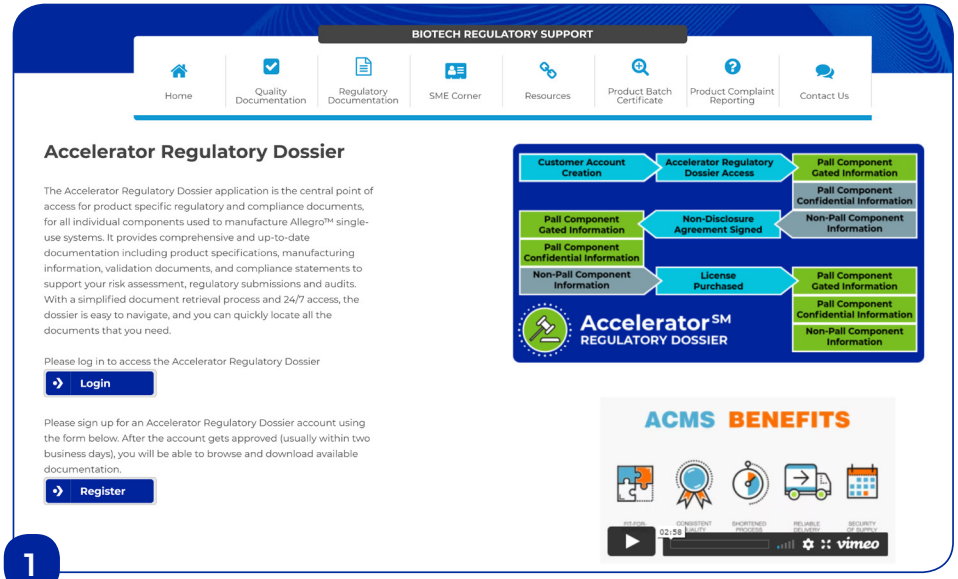
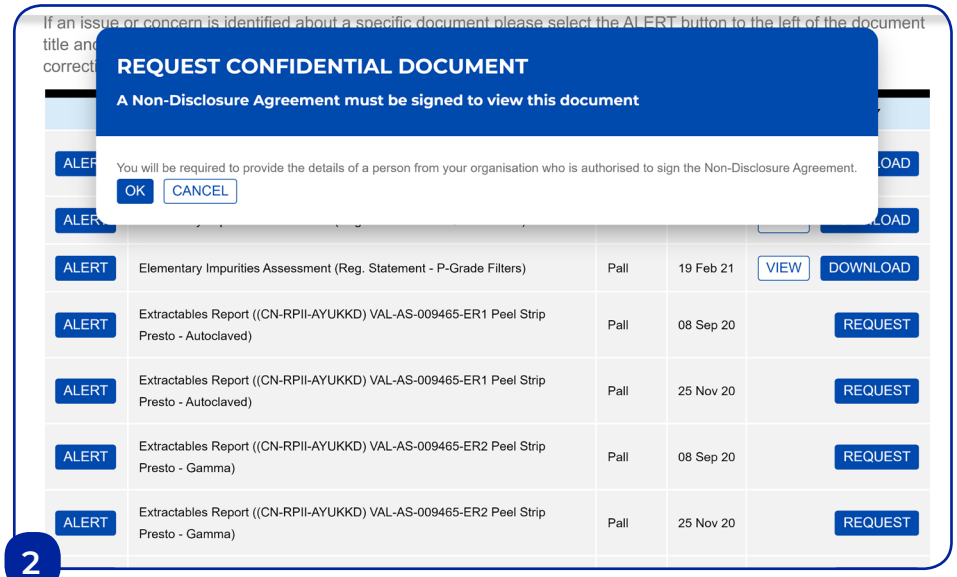
# How to Access Confidential Documents on the Accelerator Regulatory Portal

USD3469



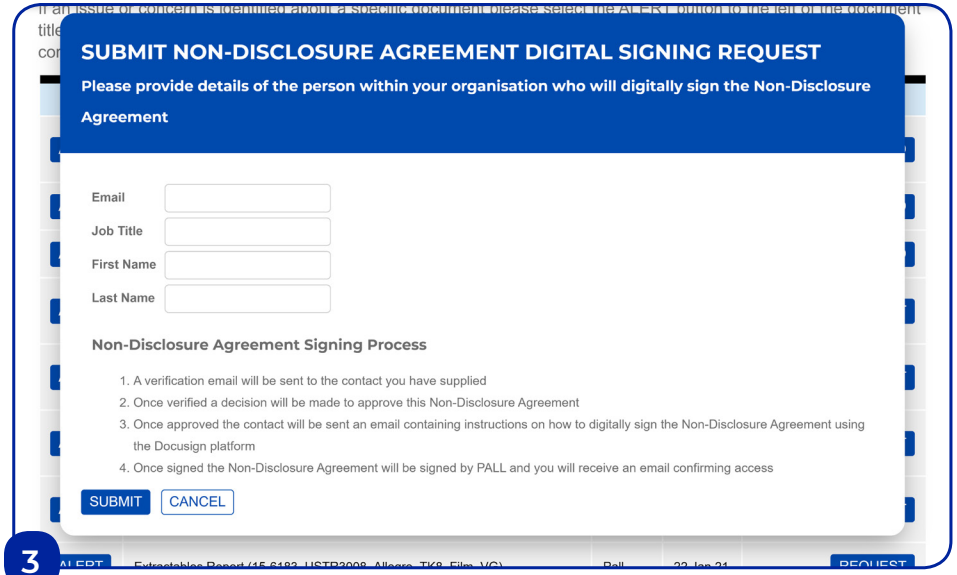
1



2

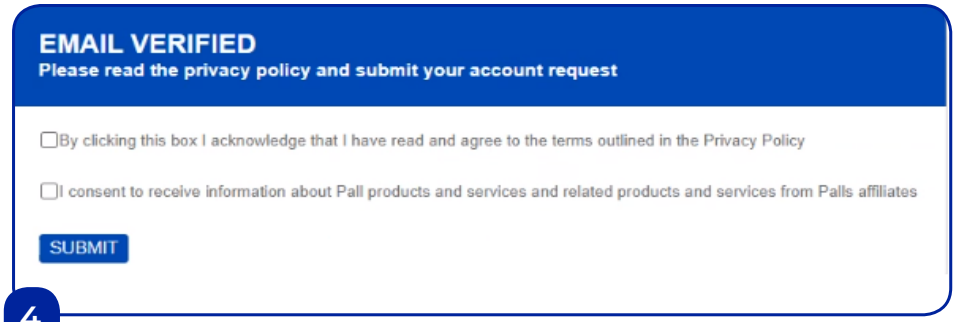
- Login to the Accelerator Regulatory Dossier. (Refer to instructions on “How to Register and Access Documents in Accelerator Regulatory Dossier”).
- Locate the document you need to view/download. (Refer to instructions on “How to Search for Documents in Accelerator Regulatory Dossier”).

- If the document is confidential, availability of the document will show as “Request”.
- Click on “Request”. A pop-up box will appear that requests you provide details of the person within your organization who is authorized to sign the NDA.



3

- If your company already has an NDA to cover confidential documentation with Pall, please enter details of the person within your organization who signed the NDA in the pop-up box. Pall will send a confirmation email once the NDA is confirmed. When you receive this email, you can access the confidential documents in the Accelerator Regulatory Dossier.
- If there is not an existing NDA between your company and Pall, enter the details of the person within your organization who is authorized to sign the NDA in the pop-up box to obtain a standard NDA covering the confidential information in the Accerlerator Regulatory Dossier.



4

- A verification email will be sent to the email address you provided in the pop-up text box. When you have received the verification email, check both boxes and click on “SUBMIT”

5

- Pall will then send the NDA for signature to the email address you provided using the DocuSign’s Word Marks• platform.

6

- Once the signed NDA is received by Pall and added to the system, you will receive a confirmation email granting access to the confidential documents in the Accelerator Regulatory Dossier.
- Log in to the Accerlerator Regulatory Dossier and locate the document. Availability of the document will now show as “View/Download”
