Statement of Compliance

Use of Natural Latex

This statement is intended to provide information regarding the use of natural latex rubber in Pall Biotech disposable pharmaceutical-grade filters, TFF cassettes, and biotechnology Single-Use Systems (SUS).

Please be aware that Pall Corporation do not knowingly employ materials which are constructed directly from natural rubber latex. Also note that Pall Biotech does not test final product(s) for the absence of specific compounds related to natural rubber latex allergies.

Please do not hesitate to contact dossieradmin@pall.com should you have any additional questions on this subject.

Please check the Pall website regularly for changes or updates. This statement is correct at the time of preparation, however customers should routinely consult the Pall Biotech website for changes or updates. All products shall be used in accordance with the Instructions for Use (IFU).
