The Warranty Period in respect of any repaired, replaced or corrected Goods shall recommence for a further period of 12 months from the date of completion of the repair, replacement or correction of the defect or damage.

9.3 Pall Taiwan's rights under clause 9.1 are, where permitted, in addition to any other right or remedy available under statute or at law including with respect to any claim for damages for any defective, non-complying Goods (including services) which Pall Taiwan becomes aware of, notwithstanding the expiration of the Warranty Period.

Supplier agrees to hold Pall Taiwan harmless from and against all liabilities, claims, fines and penalties that may arise out of the transportation, delivery, use, handling, storing and/or distribution of the Goods resulting from any such information that does not meet the foregoing requirements.

10.3 Without limiting the generality of clause 10.2, Supplier shall provide Pall Taiwan in writing, with such information relating to any materials supplied and/or used by Supplier in connection with the Goods and Pall Taiwan's Purchase Order and its design, testing, condition and use as is necessary to ensure it will be safe and without risk to health when properly handled, stored, transported and used. Such indemnity shall be in addition to any other remedies afforded by law, contract or equity and shall survive termination of the Purchase Order.

11.2 Supplier shall also hold Pall Taiwan indemnified from and against all actions, claims, demands, damages, costs, charges and expenses suffered or incurred by Pall Taiwan in respect of any patents or other intellectual property rights of a third party, which may be infringed (or claimed to be infringed) by the Goods, or services supplied under Pall Taiwan's Purchase Order (except infringement resulting from adherence to the Specifications provided to Supplier by Pall Taiwan, provided that the Supplier shall inform Pall Taiwan of such infringement as soon as reasonably possible upon Supplier's discovery of the same). Supplier shall pay all damages, costs, charge, expenses and legal fees incurred by Pall Taiwan (including without limitation those awarded against Pall Taiwan in any such suit or proceeding) and, at Pall Taiwan's discretion, either (i) at Supplier's expense, obtain through negotiation the right for Pall Taiwan to purchase and/or use the Goods; or (ii) rework the Goods so as to make them non-infringing while preserving their original functionality; or (iii) replace the Goods with functionally equivalent non-infringing Goods; or (iv) refund Pall Taiwan the amounts hereunder.

- 12.1 In the event of any default by Supplier in the performance of any obligations, including without limitation the failure to deliver any Goods or failure to carry out Pall Taiwan's reasonable instructions, Pall Taiwan may, where such default is capable of remedy give Supplier written notice to rectify such default in a specified time. If Supplier fails to comply with the requirements of the notice, or in Pall Taiwan's sole opinion Supplier's default is incapable of remedy to Pall Taiwan's satisfaction, Pall Taiwan shall be entitled to terminate the Purchase Order in whole or in part, immediately, by serving notice in writing to Supplier to such effect, without prejudice to any other rights under the Purchase Order or otherwise, and shall have the right to retain any Goods previously supplied under the Purchase Order.
- 12.2 Without limiting any of Pall Taiwan's common law rights, Pall Taiwan shall be entitled to terminate its Purchase Order, with immediate effect, if:

If Pall Taiwan does dispute the effect, and if the parties cannot resolve the dispute by agreement between the contract managers for each party, the parties must meet and agree the effect and if they cannot agree, then it is to be determined by an independent engineering expert acting as an expert and not as an arbitrator appointed by Pall Taiwan whose costs are borne by Pall Taiwan and Supplier equally. The rules of the expert determination process shall be the Commercial Arbitration Association of the Republic of China. 18. SUB-CONTRACTING

- 18.1 Pall Taiwan's Purchase Order is placed subject to the work being carried out by Supplier and no assignment, sub-contracting or transfer is permissible without specific prior arrangement with Pall Taiwan in writing. No assignment or subcontract (even with Pall Taiwan's consent) shall relieve Supplier of any obligations under the Purchase Order. Any purported assignment, transfer or subcontract without such written consent shall be void and ineffective.

19. ANTI-BRIBERY CERTIFICATION

- 19.1 Supplier certifies that (i) it shall comply with all applicable anti-corruption and anti-bribery laws and regulations, including without limitation, the UK Bribery Act, U.S Foreign Corrupt Practices Act and any local anti-bribery legislation, and (ii) all information provided by Supplier to Pall Taiwan during Pall Taiwan's pre-contractual due diligence process (including any due diligence documentation, if any) is complete, truthful and accurate.

21. WAIVER, SEVERABILITY AND OTHER

21.1 No waiver or forbearance by Pall Taiwan of any of its rights under the Purchase Order or any provision(s) of these terms and conditions shall preclude Pall Taiwan from enforcing any of its legal rights whatsoever.

21.2 If anything in these terms or conditions or Purchase Order is unenforceable, illegal or void, then it is severed and the rest of the terms and conditions or Purchase Order remains in force.

21.3 No rule of construction shall apply to the disadvantage of any party on the basis that the terms and conditions or Purchase Order was drafted by that party.

22. SURVIVAL

22.1 All provisions of these terms and conditions and the Purchase Order setting out representations, warranties, indemnification obligations, confidentiality, non-solicitation and non-competition obligations by either party, all obligations which occurred prior to termination of the Purchase Order and the general provisions herein shall survive the termination, cancellation and expiration of the Purchase Order.

If they cannot agree on a third, the third arbitrator shall be appointed by the ROCAA. The arbitration award shall be final and binding on the parties.

24. ENTIRETY

24.1 Pall Taiwan's Purchase Order, these terms and conditions of purchase, the Specification and confidentiality agreement, if applicable, constitute the entire agreement between Pall Taiwan and Supplier and supersede all prior understandings and agreements written or oral. Should any error, omission, deficiency, ambiguity, or contradiction occur within the various parts of the Purchase Order documentation or between the documentation and any applicable code, law or statutory regulations, Supplier shall immediately and in writing, bring the same to Pall Taiwan's attention, and shall not proceed or continue with those obligations affected until written clarification by Pall Taiwan has been received. Any and all additional costs incurred by either party as a result of Supplier failing to notify Pall Taiwan shall solely be to Supplier's account.
